GO FROM SILENT SUFFERING INTO HEALING AND PEACE

This Informational Session is an overview designed to support parents, grandparents, siblings, and other caring adults who are experiencing the deep stress and heartbreak of dealing with an adult child who may be:

- Estranged
- Oppositional
- Emotionally unstable
- Living in rebellion or sin

These adult children may have cut off communication, caused turmoil in the family, or walked away from God and their earthly parents. Through this overview, we will explore the Parable of the Prodigal Son and other powerful Biblical models to offer spiritual insight, practical tools, and emotional support.

What to Expect:

- Faith-based guidance and encouragement
- Tools for navigating emotional pain and spiritual uncertainty
- A supportive environment for healing and growth
